FOREWORD

With the fading of summer into fall we witness the abandoning of summer activities to once again enter the challenging doors of learning. The bewildering and somewhat frightened freshmen, the eager sophomores, the confident juniors, and the proud but somewhat sad faces of the seniors flood the mighty halls of Mayfield High.

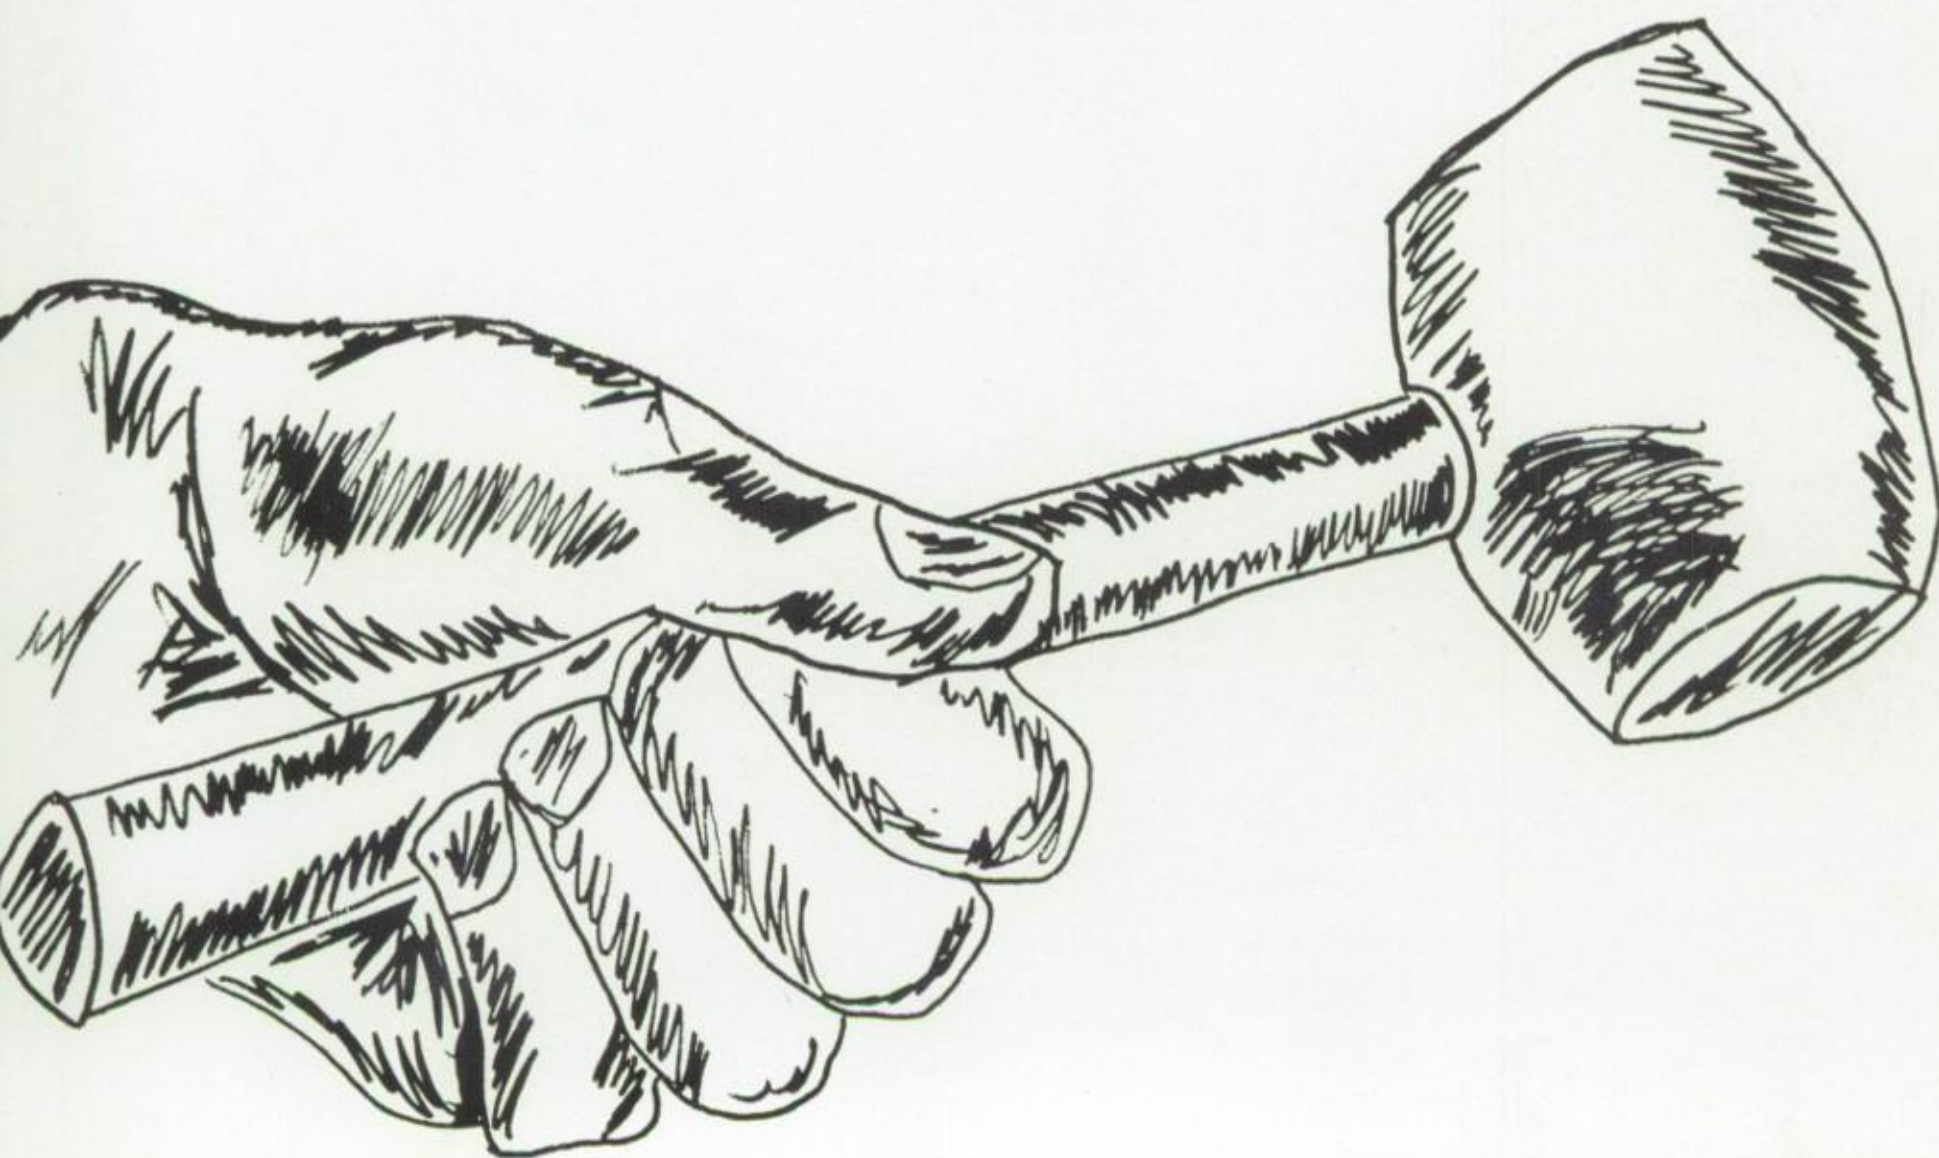

The faces of Mayfield are many and varied, but they reflect you, the student body. Yesterday a happy face, today saddened, tomorrow a tearful but eager face meets the world with meek anticipations.

Dear Parents,

At this crossroads in our lives, we wish to thank you. As our parents you have helped shape our character and have guided us throughout our lives. You have proven unfaltering during our gradual progression towards success. As graduation draws near, we realize that we have previously neglected to thank our parents for the many times they stood by us. Therefore, we dedicate this page to you.

DEDICATION

This year's senior class has chosen to dedicate our yearbook to Mr. Clarke. With his support and advice in our earlier years, the Class of '70 has obtained the privilege of our senior trip. In addition to the high regard we have for him, we wish to honor the faith and trust he has given us.

APPRECIATION

As Seniors, we would like to honor you, Mr. Maderic. Through your untiring efforts, we, the Class of '70, experienced a successful introduction to high school English. We also appreciate all of the time and effort you have put into our senior play, track, and cross-country. Your varied contributions have helped guide us through this phase of our lives.

Message to the Seniors:

You are graduating in a time of great accomplishments but equally great problems. If the problems of poverty, integration, riots, dissent, pollution, etc., are to be solved it will require the unselfish efforts of all our citizens. I have confidence that your generation will rise to the challenge.

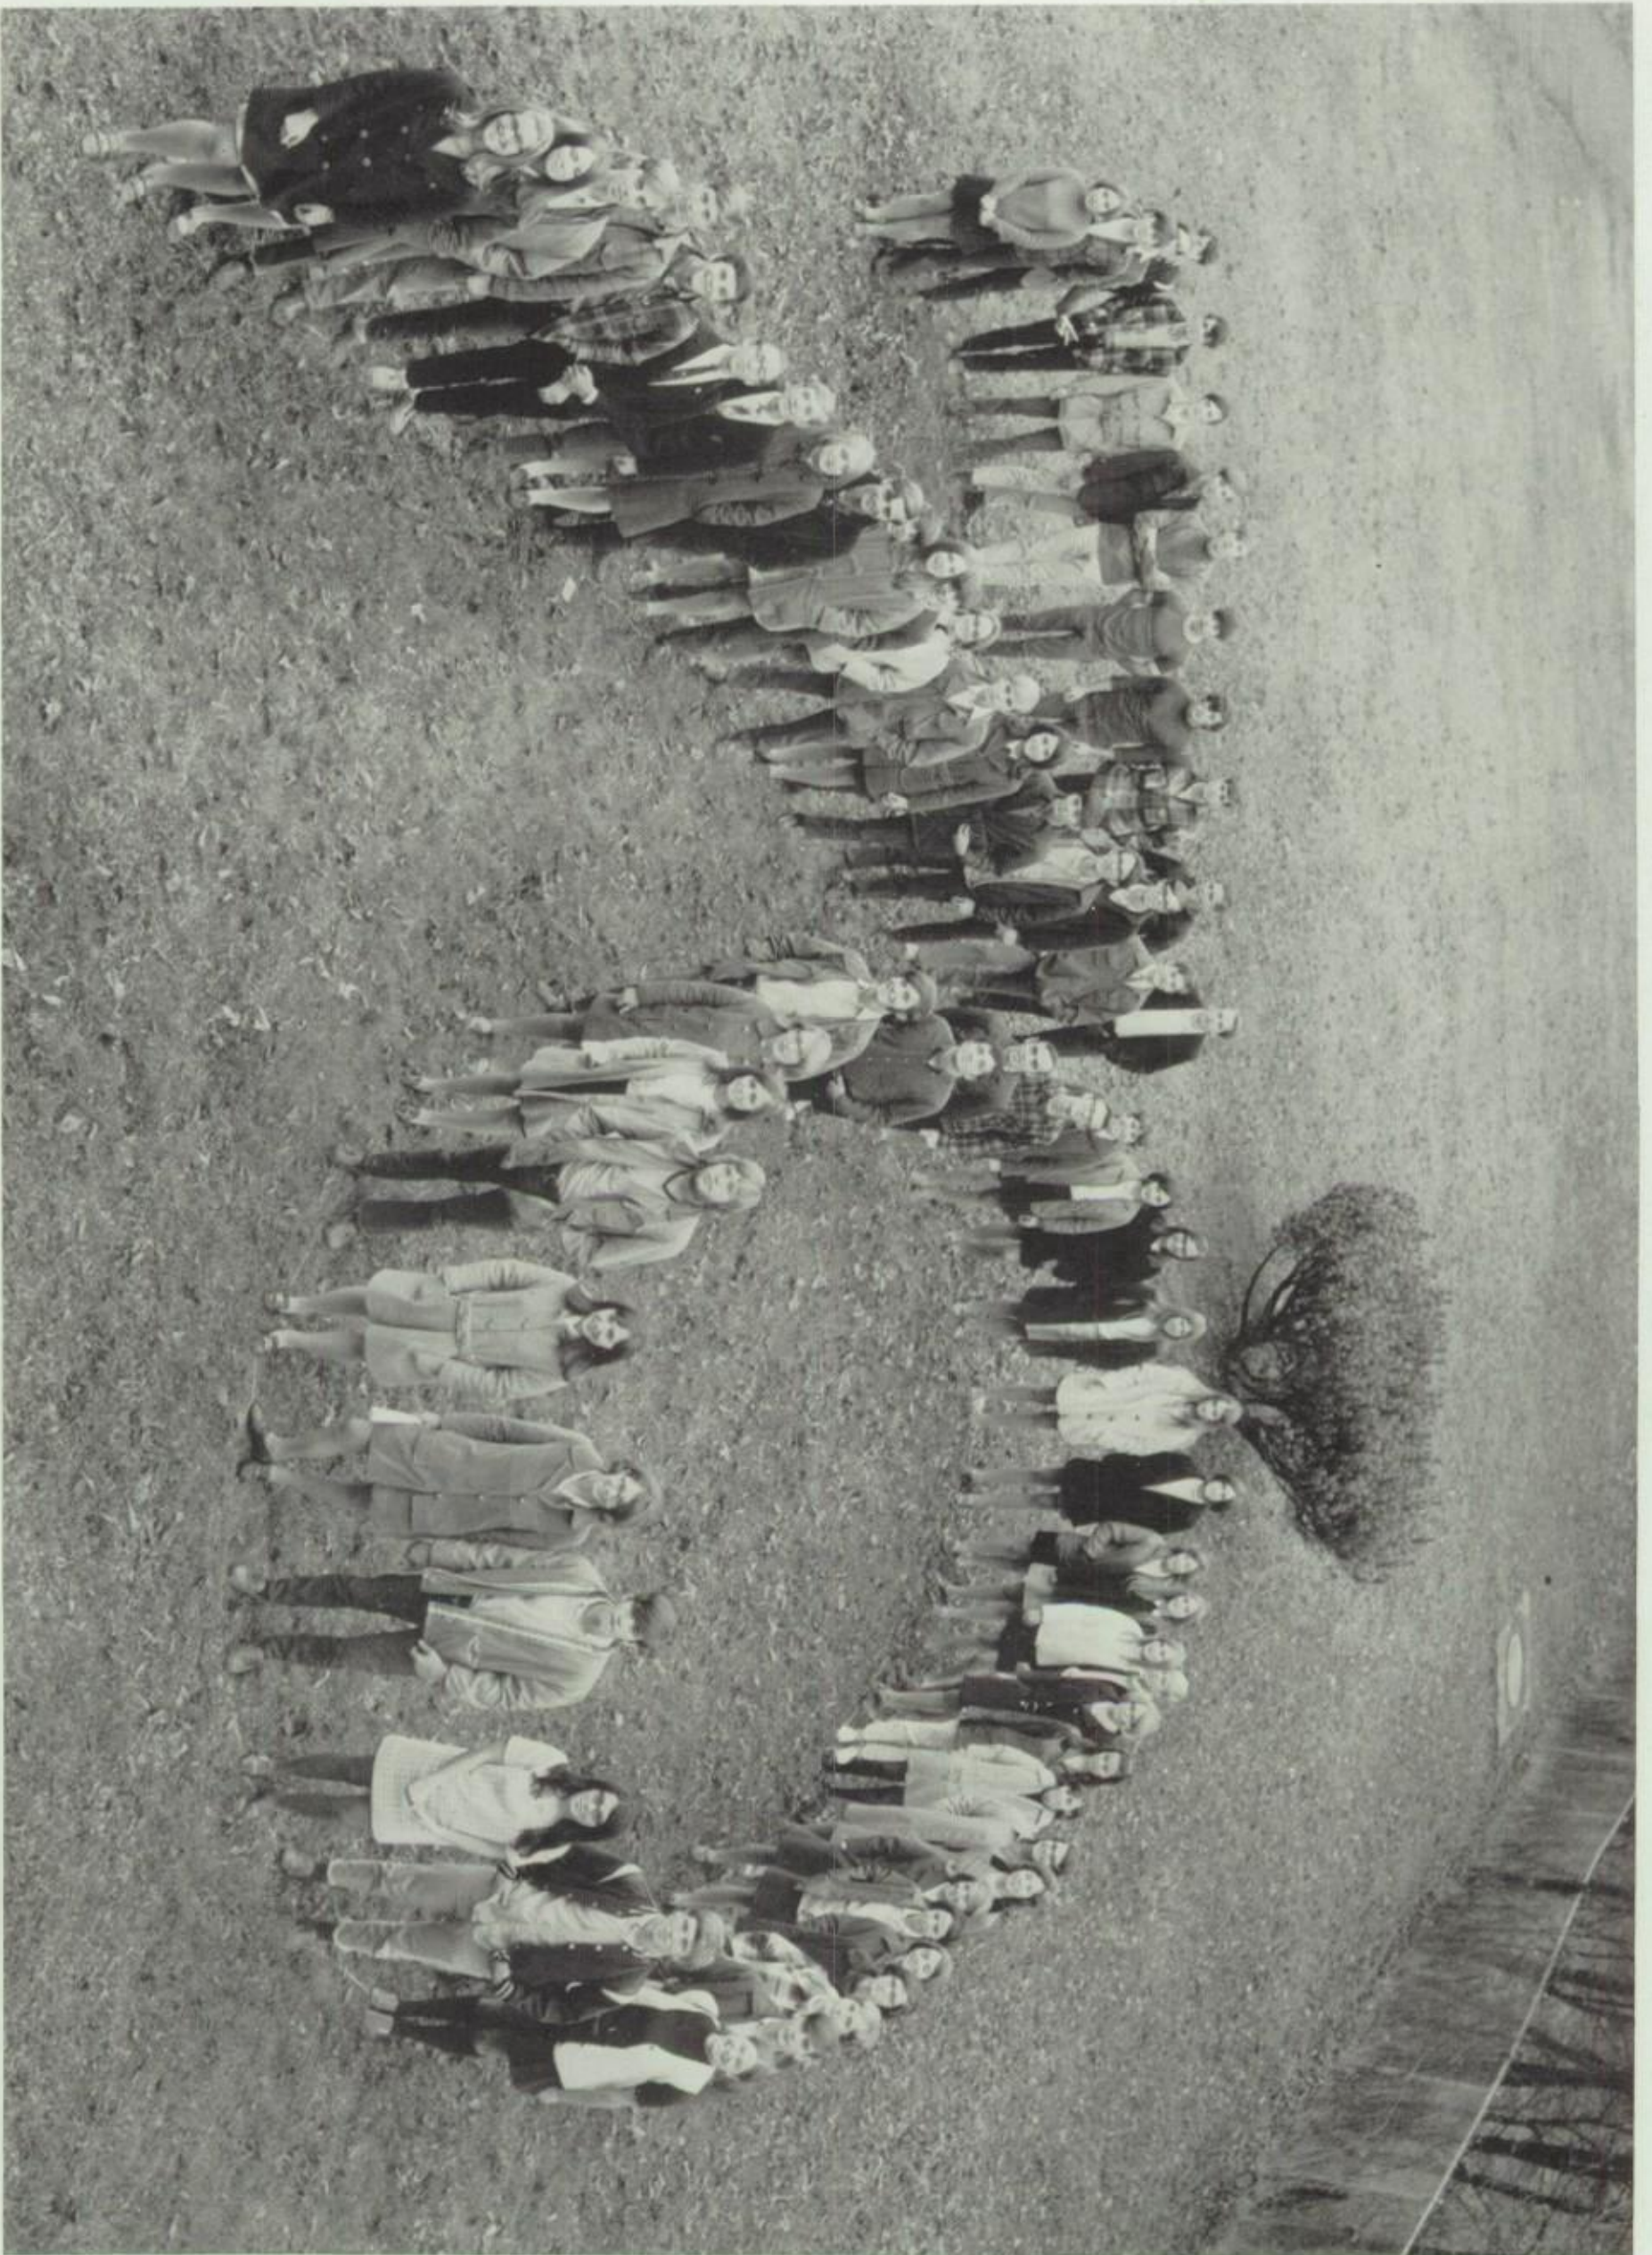

I extend congratulations to the members of the Class of 1970 and hope each of you has a fruitful and happy future.

The basketball team presented a balanced attack and most of their games were decided in the closing seconds. Their deceiving 3-6 record does not reflect their several losses by a single point.

Girls'

Outstanding team defense and the top scoring of Captain Becky Long led the soccer team to a very successful 4-1 campaign.

High school is a time of growth!

Editors' Message

Times are never stagnant - they are ever changing. In our book this year, we have tried to show these changes. We have attempted to show you these in our contrast of fashion, ages, and events. As you browse through this book, you will be able to reminisce about these and other changes that have taken place around you.

Next year's students will be facing still another change because Mr. Smithers who has served us for 21 years has retired. We thank him and wish him good luck and much happiness in the future.

As graduation draws near, the seniors prepare to take
their last walk through Mayfield High. . .
